WORCESTER'S ROYAL QUARTO DICTIONARY.

THE DEST DICTIONARY EXTANT. This massive volume centains one thousand cight hundred and fifty-four pages. It is illus-trated by more than one thousand wood cuts-five thousand words are necurately symmymized; the nonstant words are accurately syndrymized; the nearly tables of proper names pronounced, are very full and accurate. Dr. Worcester's Quarto Dictionary is a standard authority among authors and literary men wherever the English language is spoken. Every family and every student of the language should possess a copy, for it is a library in itself. A few testimomals

From WILLIAM CULLES BRYANT and WASHING-Tox Inviso.
The consisences and completeness of the definitions, and the conscientions accuracy of the work in all its departments, give it, in my judg-ment, the highest claims to public favor. From Phor. OLIVER WENDER HOLMES, Boston It is, indeed, a monumental work, and one of which our city and country may be proud as four as we have a city, a country, and a language.

From Charles Drokess, England. ft is a most remarkable work, of which America will be justle proud, and for which all who study the funcion language will long have remson to respect your name, and to be grateful to you.

From Rey, W. Winswell, D. D., Moster of Triuty tolloge, Cambridge, Author of "History of the Industrie Sciences,"

The whole work is the most comprehensive and useful that I have yet seen. It is the most complete and practical, the very best, as well as the cheapest, English Dictionary that I know.

the the strip is complete and many-sided.

The last existing English Lexicon. Leadon Members, and Ordensburgh.
